

# FS160L\_230V\* // spindle shaper

## highlights

- compact spindle shaper with torsion-resistant massive cast iron table and an extra long aluminium sliding table (1000x215mm)
- additional exchangeable spindle with router collet for router bits
- mitre fence tilting 60° left/right incl. workpiece stop and workpiece holder
- A versatile space-saving compact machine with a wide area of application and a small footprint - best choice for woodworking enthusiasts with workspace constraint
- Dynamically balanced spindle ensures precise run
- Security first: CE approved safety hood, height adjustable material guide rail and security cover, micro-switch, emergency off button
- exchangeable spindle with router collet (Ø 12mm),
- mitre fence, clamp, fixing tool

**included in delivery:** spindle shaper hood, mitre fence, changeable spindle

# FS160L\_230V\* // spindle shaper

## technical details

motor power s1 in W	1500
voltage	230V
suction port in mm	100
table size in mm	600x400
max. tool diameter below table in mm	150
milling spindle speed in min-1	1400/4000/6000/9000
table opening in mm	170
max. tool diameter above table	170
net weight in kg	108
packaging width in mm	630
EAN code	9120039902760

motor power s6 in W	2100
sliding table in mm	1000x220
table height in mm	850
max. clamping height in mm	105
spindle stroke in mm	110
milling spindle diameter in mm	30
mitre fence in mm	350x125
gross weight in kg	114
packaging length in mm	650
packaging height in mm	530
