

HOB305PRO_230V combined planer and thicknesser

highlights

- 4-knive cutterblock ensures perfect results
- smooth going centrally located thicknessing height adjustment
- both cast iron tables can be folded away for thicknessing
- high manufacturing technologies used like laser cutting

included in delivery: fence, installed planer knives

HOB305PRO_230V

combined planer and thicknesser

technical details

| | |
|--------------------------------|----------|
| planing table size in mm | 1512x400 |
| planer fence in mm | 1000x160 |
| thicknesser table height in mm | 900 |
| feed speed | 5.5 |
| suction port in mm | 100 |
| cutting depth in mm | 3 |
| shaft speed in min-1 | 4000 |
| gross weight in kg | 325 |
| packaging length in mm | 1.650 |
| packaging height in mm | 1.150 |

| | |
|---------------------------------------|---------------|
| fence tilt | 90° -45° |
| max. thicknessing cutting depth in mm | 3 |
| motor power s1 in W | 2200 |
| voltage | 230V |
| table size in mm | 585x300 |
| shaft diameter in mm | 74 |
| cutter knives amount | 4 |
| net weight in kg | 288 |
| packaging width in mm | 650 |
| EAN code | 9120039905198 |
