

# Blamke®

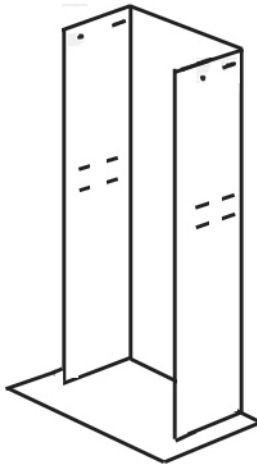

## METALWORKER

### Contents

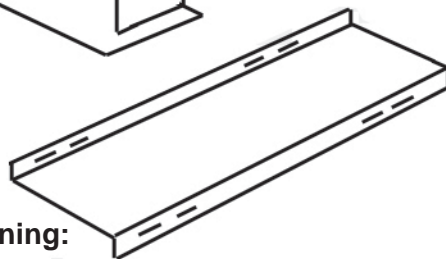

Before assembly, please check that you have all of the following parts. If any are missing, please contact our Part Department on 0208-988-7400

1 x Table Top/ Suds Tray assembly with drain plug.

2 x End Unit

1 x Shelf Unit

Bag of fixings containing:

M10 Hex Head Bolts x 20

M10 Locknuts x 16

M10 Plain Washers x 36

M10 x 80 mm Hex Head Bolts x4

### Assembly

**NOTE:** All the component parts of this unit are drilled or pierced to ensure accurate assembly.

It will be easier to assemble this unit upside-down.

- 1) Lay the table top on a non-abrasive floor surface.
- 2) Position one End Unit around the outside of the angle plates on the underside of the Suds Tray and fix loosely with 4 x nuts, bolts and washers.

Repeat this procedure with the other end unit.

- 3) Locate and loosely fix the shelf unit in place using 2 x nuts, bolts and washers each side and at the front and rear.

Note that the turned down edge is at the front and the turned up edge at the rear.

- 4) Tighten all fixings before turning the assembled unit over.
- 5) The unit is now ready for floor fixing if required, by drilling through the base plates of each end unit.

## STAND FOR METAL LATHES CL430 & CL500M

PART NO: 7610315

### ASSEMBLY INSTRUCTIONS

# A SELECTION FROM THE VAST RANGE OF

# Clarke®

## QUALITY PRODUCTS
