AERO 21/26

Compact wet and dry vacuum cleaner

High Productivity

- Long-lasting washable PET filter with an efficiency of minimum 99.9% for both wet and dry pick-up.
- Push&Clean semi-automatic cleaning system using reverse airflow to save time during operation.

Compact & Ergonomic

- Lightweight container available in 2 sizes offering effortless manoeuvrability.
- Built in flexible storage of suction hose, power cord and accessories.
- The motorhead design also allows storage of small tools or personal items.

Safe and Clean

- Auto start/stop function keeps both the air and surroundings clean while using power tools and reduces the overall sound level.
- For increased filtration an optional HEPA filter cartridge can be mounted to give up to 99,995% filtration efficiency.

CLEVER STORAGE

Multiple positions for tubes, nozzles and suction hose makes transport and storage easy and reliable.

PUSH&CLEAN FILTER CLEANING

Fast and simple cleaning of the filter cartridge just push and release the filter cleaning button.

AUTO START/STOP

The auto start/stop function activates the dust extractor when a connected power tool is used securing a better working environment.
